NEW MILLENNIUM COMMUNICATIONS, INC. SOFTWARE LICENSE AGREEMENT FOR EXPORTFM.

NEW MILLENNIUM COMMUNICATIONS, INC. (HEREINAFTER "LICENSOR"), IS WILLING TO LICENSE THE ENCLOSED SOFTWARE TO YOU ONLY IF YOU ACCEPT ALL OF THE TERMS IN THIS LICENSE AGREEMENT. PLEASE READ THE TERMS CAREFULLY BEFORE YOU INSTALL THIS SOFTWARE, BECAUSE BY INSTALLING THIS SOFTWARE YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THESE TERMS, LICENSOR WILL NOT LICENSE THIS SOFTWARE TO YOU, AND IN THAT CASE YOU SHOULD RETURN THIS PRODUCT PROMPTLY, INCLUDING THE PACKAGING IF ANY, AND ALL WRITTEN MATERIALS, TO NEW MILLENNIUM PROMPTLY FOR A FULL REFUND.

Ownership of the Software

1. The enclosed Licensor software program known as ExportFM (hereinafter "the Software") and the accompanying written materials are owned by Licensor and are protected by United States copyright laws, by laws of other nations, and by international treaties.

Grant Of License

2. Licensor grants to you the right to use the licensed number of copies of the Software on the licensed number of computers. You are entitled to install the software for the number of users defined by the specific license key which you purchased. A "User" is defined as a

copy of FileMaker Pro, FileMaker Developer, or FileMaker Runtime, even if more than one copy is running on the same machine.

3. You may not adapt, copy, translate, create derivative works of nor modify the Software, its documentation, or any registration code provided to Licensee, except as expressly permitted in this Agreement; and you may not decompile, recompile, reverse engineer, disassemble, or use any other technique to produce a human perceivable form of the Software.

Developer License – applicable to ExportFM 7 and later

4. Developer licenses are purchased based on “user tiers”. If you have purchased a Developer License, you are entitled to distribute the Software with your solution which you sell directly to the end-customer. You are entitled to distribute the Software for use at an unlimited number of sites on networks of up to the number of users defined by the specific license key which you purchased. A “User” is defined as a copy of FileMaker Pro, FileMaker Developer, or FileMaker Runtime, even if more than one copy is running on the same machine.

If your customer intends to install the Software for more than the specified number of users then either they or you need to purchase a Site License for that customer OR you need to purchase a larger Developer License. Discounts may be available on site licenses for those who have previously purchased a Developer License.

Developer Licenses for previous versions of ExportFM were available only at a 10-user limit, and were further restricted to 100 sites. Beginning with ExportFM 7, this no longer applies. Previous purchasers of Developer Licenses who upgrade to ExportFM 7 will retain the 10-user limit, but are not restricted to a limited number of sites.

Restrictions on Use and Transfer

5. You may not use the Software on other computers or loan, rent, transfer, or assign them to other users except as part of the permanent transfer of the Software and all written materials (as provided for below).

6. You may permanently transfer the Software and accompanying written materials (including the most recent update and all prior versions) if you retain no copies and the transferee agrees to be bound by the terms of this Agreement. Such a transfer terminates your license. You may not rent or lease the Software or otherwise

transfer or assign the right to use the Software, except as stated in this paragraph.

7. You may not reverse engineer, decompile, or disassemble the Software.

Limited Warranty

8. Licensor warrants that the Software will perform substantially in accordance with the accompanying written materials for a period of 90 days from the date of your receipt of the Software. Any implied warranties on the Software are limited to 90 days. Some jurisdictions do not allow limitations on duration of an implied warranty, so the above limitation may not apply to you.

9. LICENSOR DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT, WITH RESPECT TO THE SOFTWARE AND THE ACCOMPANYING WRITTEN MATERIALS. This limited warranty gives you specific legal rights. You may have others, which vary from jurisdiction to jurisdiction.

10. LICENSOR'S ENTIRE LIABILITY AND YOUR EXCLUSIVE REMEDY SHALL BE, AT LICENSOR'S CHOICE, EITHER (A) RETURN OF THE PRICE PAID OR (B) REPLACEMENT OF THE SOFTWARE THAT DOES NOT MEET LICENSOR'S LIMITED WARRANTY AND WHICH IS RETURNED TO LICENSOR WITH A COPY OF YOUR RECEIPT. Any replacement Software will be warranted for the remainder of the original warranty period or 30 days, whichever is longer.

11. This Limited Warranty is void if failure of the Software has resulted from modification, accident, abuse, or misapplication.

12. IN NO EVENT WILL LICENSOR BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY LOSS OF PROFITS, LOST SAVINGS, OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF YOUR USE OR INABILITY TO USE THE SOFTWARE. Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.

13. This Agreement is governed by the laws of the State of Colorado, USA.

14. U.S. Government Restricted Rights. The Software and documentation are provided with Restricted Rights. Use, duplication, or disclosure by the Government is subject to restrictions set forth in subparagraph (c)(1) of The Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs (c)(1)(ii) and (2) of Commercial Computer Software - Restricted Rights at 48 CFR 52.227-19, as applicable. Licensor is New Millennium Communications, Inc., 1332 Pearl Street, Boulder, Colorado 80302 USA.

15. No person is authorized to make any verbal or written modification concerning this Agreement and/or the Software, and New Millennium Communications, Inc. disclaims any responsibility for any such claims. Modifications to this Agreement are invalid unless executed in writing by New Millennium Communications, Inc.'s authorized signatory.

By downloading or using the Software, You agree to the terms and conditions of this Agreement without any further acceptance required.
